

Dear parents

During competitions and trainings we sometimes take pictures. Those we use as a memory for you, your children and ourselves and to promote our sports club.

The images are mainly used as followed: Homepage of the sports club, sports club information leaflets, posters at the village shops, social media pages of the sports club, within Whats App chats with parents (to show what we're doing in the trainings) and on table cloths for our yearly performances in December called "Chränzlis".

Due to the newly launched data protection law, we kindly ask you for your approval to use images of your children as described above.

Herewith I _____ (*Enter name of a parent*) confirm that the sports club Turnverein Buchberg Rüdlingen is allowed to use images of my child, _____ (*Enter name of the child*) as described above.

Signature of a parent: _____

Please return this document via E-Mail or give it to your child's coach. If you have any questions, don't hesitate to ask me or the other coaches. Thank you!

Mit Turnergruss
Olivier Flicker
